Georgia's Coast Is Not An Ashtray!

For the third straight summer, the regional cigarette litter prevention program, GEORGIA'S COAST IS NOT AN ASHTRAY, rolls into all six of the Peach State's coastal counties. Targeting cigarette litter as it relates to coastal waterways, project partners use inventive outreach and education methods to reach target markets. Visiting fishing piers, boat ramps and public space gathering areas with messaged t-shirts and stickers, distributing 30,000 messaged drink coasters at local pubs and restaurants and installing 100+ cigarette receptacles in public spaces near water bodies are all part of this summer's effort.

Cigarette butts are the nation's number one most littered item. Made of cellulose acetate, a type of plastic, they do not easily biodegrade. In waterways and water bodies, cigarette butts become toxic litter and endanger coastal habitats and their inhabitants. Properly disposing of cigarette butts is key.

GEORGIA'S COAST IS NOT AN ASHTRAY is made possible by a Keep America Beautiful cigarette litter prevention program grant.

Abandoned Building Program UPDATE

KMB recently provided financial assistance to a family for the removal of an old home located on Munro Street in Darien, through our Abandoned Buildings Program. The photos below show the before, during, and after of the project. This beautiful lot is all cleared and leaves a clean slate for whatever new plans the family has for this property. For more information, an application or to help fund this KMB program, visit <http://keepmcintoshbeautiful.com/abandoned-building/>

THANK YOU! to our Adopt-A-Highway Volunteers for helping keep our roadsides clean, green and beautiful! *You are appreciated!* Volunteers can now adopt parks and other public recreational and beauty spots in Darien and McIntosh County in addition to sections of roads.

We want to see your pictures! If you are out cleaning up litter, text or email us a picture or two so we can showcase you on our social media sites!

To learn more about volunteering, contact Brandi at director@keepmcintoshbeautiful.com

It's that time.....
RENEW or JOIN KMB during our Summer Membership Drive
 Annual Memberships run from July through June

DID YOU KNOW.....?

KMB is an independent, 501(c)3 non-profit affiliate of Keep America Beautiful and Keep Georgia Beautiful Foundation, but receives no funding from either, or from our local government. The support of individuals, organizations and local businesses is VITAL to KMB's operation and activities such as cleanups, beautification projects and our Abandoned Buildings Program that benefit our community. Please renew your membership or join KMB today at www.keepmcintoshbeautiful.com. Learn about other ways to support KMB by CLICKING on the links below.
